📇 PROFILE

Software Test Engineer with expertise in functional, regression, and automation testing using Selenium WebDriver with Java. Experienced in designing and executing robust test frameworks (POM, TestNG, Data-Driven) and API validation using Postman. Skilled in identifying defects, improving test coverage, and ensuring application quality across Agile projects.

🎨 SKILLS

- Manual Testing: SDLC, STLC, Test Case Design, Test Execution, Defect Reporting, Regression, Smoke, Sanity, Agile (Scrum)

- Automation Testing: Selenium WebDriver, Java, TestNG, Cucumber (BDD), POM, Data-Driven & Hybrid Frameworks

- API & Database: Postman (REST API), JSON/XML Validation, MySQL (Data Validation, Joins)

- Tools & Build: Maven, Git, GitHub, JIRA, Eclipse, IntelliJ IDEA

- Other: Windows, Linux, Defect Lifecycle, Cross-Browser Testing

💼 PROFESSIONAL EXPERIENCE

1) Manual Test Engineer   **Feb 2023 - Present**
Ondot Media Pvt. Ltd., Pune
(Manual & Automation Testing – Web Application Projects)

- Designed and executed **test automation scripts using Selenium WebDriver with Java and TestNG**, covering key CRM modules such as Login, Dashboard, Campaign Creation, and Campaign Testing.

- Developed and maintained **Page Object Model (POM) framework** with Data-Driven approach, improving reusability and reducing maintenance effort by **30%**.

- Performed **manual functional, regression, smoke, and UI testing** for CRM web modules across browsers (Chrome, Firefox, Edge).

- Conducted **API testing using Postman**, validated API responses and integrated test scenarios with automation flow.

- Reported and tracked defects in **JIRA**, collaborating with developers for faster issue resolution.

- Verified backend data using **SQL queries** for validation, record count checks, and field mapping accuracy.

- Participated in **Agile ceremonies** (daily stand-ups, sprint planning, retrospectives) and contributed to sprint-level QA deliverables.

- Generated **Test Summary Reports (TSR)** and maintained detailed documentation of test cases, executions, and results.

🎓 EDUCATION

Master Of Computer Science   2022 – 2024
Suryadatta College Of Management Information Research & Technology   cgpa-8.62

Bachelor Of Computer Science   2022 – 2023
Singhaniya univercity   Percentage-94.4

🏅 AWARDS

Employee of the Quarter

Recognized for exceptional performance and versatility in handling multiple roles and delivering consistent results across key projects.
